A note from the Headteacher

Dear Parents,

At the end of last week our Tag Rugby Teams' performances on the pitch were extraordinary; winning every match they played! Well-done to all children who participated in these events. Girls in Years 4 and 5 football are also to be congratulated on their performance on Thursday, and we wish the Hockey Team, this afternoon, every success. The sporting achievements of our children once again make us incredibly proud. Thank-you to parents for supporting these events and to Mr Cain for the organisation which goes into these.

Children in Year 4 have taken part in the Healthy Living Workshop this week, finding out more about maintaining a balanced diet and how to keep fit. Thank-you to Miss Kondoska and Mrs Wilson for leading this event.

This week we have held our SRE workshops. Thank-you to all parents for whom were able to attend and found these useful in providing further information about the current curriculum.

Thank-you to the Parent Forum this week for thoughtfully considered feedback on the curriculum, including encouraging early reading and developments in home learning; we greatly value your views.

Amongst celebrating the children's exceptional achievements, we sadly bid farewell to Mrs Walker who leaves us today. Thank-you to Mrs Walker for her unfaltering care and support of Bat Class. On Monday, we welcome back Miss Robinson from maternity leave who will be the new teacher for Bat Class.

I wish you a restful weekend.

Mrs Caroline Gibbins
Headteacher

General Information

SRE Workshops – The presentations for the different year groups have been uploaded to the website, for those parents/carers who were unable to attend the sessions. They can be found under the curriculum tab in the well being, PE and PSHE section.

Clubs – All clubs finish next week for the Spring term. Club letters for next term's activities will be sent home during the course of next week. This will include sign up options to the clubs run by outside agencies.

Home Learning Stars

Year 3 pupils have really embraced their topic of 'Predators' this term. We have seen some amazing models and very informative facts about predatory animals. Year 4 pupils conducted experiments to see which sugary drink caused the most damage. Well done to Leyton, Jonathan, Bethany, Cian, Emily, Rachel, Harry and Liam.

Awards

Attendance - The winners this week are:-
KS1 – Woodpecker class with 99.3%
KS2 – Eagle class with 99.6%

Gugafit Winners – Woodpecker class

House Point Winners – St Patrick (green)

Sporting News

Tag Rugby - Thursday 14th March:

Last Thursday, we beat the previously unbeaten St. Michaels in our first league match of the season with a score of 62-49. An impressive performance! We have put ourselves in a great position to be successful this season, should we continue with this level of performance in our other league fixtures.

Well done to Grace, Analise, Sadie, Ryan, Oliver, Luke, Issa, Logan, Archie and Charley

Tag Rugby - Friday 15th March:

Last Friday, we travelled down to Cobham Rugby Club for a mixed tag rugby competition. The children were amazing, winning all their games, playing some scintillating rugby. It is a testament to all those children who continue to strive to push themselves during tag rugby activities, both in after school clubs or during the Fun Friday sessions.

Keep up the good work - Analise, Grace, Sadie, Logon, Charley, Archie, Ben, Sami, Ryan and Harry.

Year 4 Healthy Living Workshop

To tie in with Year 4's topic of Burps, Bottoms and Bile this term, we arranged for ALIFE Healthy Schools Workshops to visit our children on Wednesday this week. The workshop involved all the children in several hands-on science activities that catered for all abilities and brought their learning to life in a way that would not be possible in the classroom. All the children were engaged throughout the session and interacted positively and enthusiastically.

Following their science workshop, they participated in a circuit's fitness session, which challenged even the fittest! However, we witnessed circuits accessible for all, with maximum pupil participation that led to huge achievements and satisfaction for everyone.

We believe that all of Year 4 would agree that this experience was an invaluable, unforgettable and positive learning opportunity.
