A note from the Headteacher

Dear Families,

We express our deepest sympathies for the passing of Her Majesty Queen Elizabeth II. Her unfaltering dedication to the United Kingdom of Great Britain and Northern Ireland and to her other realms and territories is unparalleled and we thank her for her service.

Our school will observe the mourning period whilst continuing to support our children, families and colleagues. Unless otherwise stated, please assume any scheduled activities and events we have scheduled will continue as planned. We will observe the national day of mourning for Her Majesty's funeral which means we will be closed on that day, but outside of this school hours will continue as normal.

Our school will be keeping children informed of news about these events as part of assemblies and class activities. If you think your child may be experiencing particular upset due to the passing of the Queen, please do let their class teacher or one of the Pastoral Team know, so we can provide additional support.

Over the course of the coming days, further information will follow regarding how the Queen's passing will be marked and in this we will share the school's response.
